NOTE

1. The applicant is requested to complete the clause referring to the requisition and to strike out the clauses which are not applicable.
2. Under first provision to clause VI (1) of the schedule to the Indian Electricity Act,1910 the Electricity Department shall not be bound to comply with any requisition unless and until the person making it :-
 - (a) with fourteen days after the service on him by the Electricity Department of notice in writing in this behalf tenders to the Electricity Department a written contract in this form duly executed and with sufficient security binding himself to take the supply to energy for not less than two years to such amount as will assure the department at currents rates a reasonable return and;
 - (b) If required by the department so to day pays the cost of any service line as may be laid down or placed for the purpose of supply upon the property in respect of which the requisition is made, and of so much of any service line as it may be necessary for the said purpose to lay down or place beyond 30 meters form the department's distributing mains. Although not on that property;
 - (c) The application is liable to be rejected, if the licensee is satisfied that the applicant is in authorized occupation of the premises, where electrical energy supply is applied for. The applicants are therefore required to furnish valid documentary proof issued by the Revenue Authorities not below the rank of Tehsildar, in support of their right, title or interest in or over the land and the building and the building plan duly approved by the Port Blair Municipal Board in respect of the Building within Port Blair Municipal areas.

ELECTRICITY DEPARTMENT

A&N ISLANDS

Agreement for electricity supply for Domestic, Commercial and Industrial purpose [para 4 (a) (ii)]

Application No.

Connection No.

To
The Executive Engineer / Assistant Engineer / Junior Engineer
Electricity Department,
.....

I / We hereby agree to take electric connection from the Electricity Department at the premises stated below for supply of electrical energy not exceeding the connected load of my/less our installations as stated below for a period not less than two years from the date of commencement of supply at the tariff rates and on the conditions of supply in force from time to time and also pay all such other proper charges as become due from me/us from time to time at rates as prescribed in the Rules and conditions of supply. I/We further agree that I/we lodge with you deposit calculated as prescribed in the conditions of supply, and I/we hereby declare that the said conditions of supply have been persued by/read to me/us and I/we to be bound by the provisions of clause VI of the schedule to the Indian Electricity Act,1910 and Indian Electricity (Supply Act,1948). I/We hereby request you to supply the required energy with the one month or such longer period as the Electricity Department may allow from the date of the requisition.

I/We further require you to supply me/us with necessary meter/meters on hire in terms of section 26 of the Indian Electricity Act,1910. I/We agree to give such security as may be required for the price of the meter/meters whenever called upon to do so.

I/We agree to bear any cost of repairs or replacements arising during the first year of servicing of the installation due to the defect in the internal wiring of my/our installations.

I/We shall agree to the back billing by the Electricity upto a maximum of six months, at thrice normal rate of tariff applicable, if the meter/meters, is/are tampered, thus result in the readings beings non recorded or in showing the units consumed considerably less.

The necessary requisition form duly filled in is attached herewith.
