Provided that a Transmission licensee shall not engage in the business of trading in electricity.

- (2) The Licensee shall have the absolute responsibility to ensure that the utilization of the assets and facilities of the Licensed Business for Other Business shall not in any manner affect the performance of the obligations under the Licensed Business or the quality of service required from the Licensee, and any such utilization shall be entirely at the cost and risk of the Licensee.
- (3) Failure to submit prior intimation in writing to the Commission will invite a penalty which may extend up to the annual revenue of the Other Business.

#### **4. Accounts:-**

- (1) The Licensee shall for each of the Other Business
  - (a) maintain separate accounting records , such as amount of revenue, costs, assets, liabilities, reserves, or provisions which have been charged from or to the Other Business. He shall maintain a description of the basis for the charge or its determination by apportionment or allocation between the various business activities;
  - (b) prepare on a consistent basis from such records accounting statements for each financial year comprising a profit and loss account, a balance sheet and a statement of sources and application of funds;
  - (c) provide in respect of the accounting statements so prepared, a report by the Auditors in respect of each financial year, stating whether in their opinion the statements have been properly prepared and give a true and fair view of the revenue, costs, assets, liabilities, reserves and provisions reasonably attributable to the business to which the statements relate;
  - (d) submit copies of the accounting statements and Auditor's report thereon not later than six months after the close of the financial year to which they relate; and
  - (e) submit to the Commission such additional information that the Commission may require from time to time.

- (2) The Licensee shall ensure and, if so required by the Commission, establish to the satisfaction of the Commission that the Other Business bears an appropriate share of overhead costs and other common costs.
- (3) Any person authorized by the Commission shall be entitled to inspect and verify the accounts of the Licensee and the licensee shall render all necessary assistance to such person.

**5. Financial implications:-**

- (1) The Licensee shall not in any manner utilize the assets and facilities of the Licensed Business or otherwise directly or indirectly allow the Other Business to be undertaken in a manner that the Licensed Business results in subsidising the Other Business.
- (2) The Licensee shall not in any manner, directly or indirectly encumber the assets and facilities of the Licensed Business for the Other Business or for any activities other than the Licensed Business.
- (3) The Other Business shall pay to the Licensed Business a reasonable proportion of the revenues of the Other Business, subject to a minimum amount which may reflect the allocable costs or market value of the assets and facilities of the Licensed Business utilised/being utilised for Other Business.
- (4) The Commission will determine the reasonable proportion of revenues of the Other Business and the minimum amount to be paid to the Licensed Business, on a case-to-case basis, as and when a licensee informs the Commission about his intention of utilizing the assets and facilities for use for any Other Business. In deciding the amount to be paid by the Other Business, the Commission will consider the submissions of the Licensee, but may use any alternate approach or methodology that it considers appropriate:

Provided that as and if deemed appropriate by it, the Commission may determine the reasonable proportion of revenues, etc. to be paid to the Licensed Business in respect of a class of Other Businesses as a whole, instead of on a case-to-case basis.

- (5) The proportion of revenues or the minimum amount to be shared from the Other Businesses under sub-regulation (4) above shall be the income of the Licensed Business of the Licensee and shall be utilized for reducing the charges of transmission or wheeling, as the case may be, of electricity by the Licensee.

**6. Powers of the Commission:-**

- (1) The Commission may at any time direct investigation of the assets and facilities of the Licensed Business for the Other Business of the Licensee with a view to ascertaining adherence to these Regulations, covering inter alia:
  - (a) whether the costs and expenses are being appropriately adjusted and paid as specified in regulation 5 above; and
  - (b) whether the revenues of the Other Business are properly accounted for to determine the gross turnover and the amounts payable to the Licensed Business.
- (2) The Commission may authorize any officer of the Commission or any professional person or expert or consultant to carry out the investigation under sub-regulation (1) above and submit a report to the Commission.

**7. Issue of orders and practice directions:-**

Subject to the provisions of the Electricity Act, 2003 and these Regulations, the Commission may, from time to time, issue orders and practice directions in regard to the implementation of these Regulations and procedure to be followed, and various matters which the Commission has been empowered by these Regulations to direct, and matters incidental or ancillary thereto.

**8. Power to amend**

The Commission may, at any time, add, vary, alter, modify or amend any of the provisions of these Regulations.
